

The *Quilters* **HALL OF FAME**
Marion, Indiana

In this tough economic climate, your support at this time is more important than ever. Your gift will help provide significant operating revenue for The Quilters Hall of Fame's many endeavors - including exhibits, educational programs, and Celebration Week itself. Additionally, your gift will help make possible the vital on-going preservation of the Marie Webster House, the only historic house in America honoring a pioneer in Quilting (in particular by repairing the front pillars); plus archival care of the Honoree-related objects and ephemera.

Our gift to you for your support of \$50 or greater is a gift of the first reproduction of a Marie Webster quilt catalogue. This little gem was first published in 1929. You may choose to not receive this gift if you wish.

It is through gifts such as yours that we can continue to honor the art of quilting and to maintain the historic Marie Webster House.

We greatly appreciate your support of The Quilters Hall of Fame. Thank you again for your donation!
