The Quilters Hall of Fame renovated the Marie Webster House, a National Historic Landmark in Marion, Indiana, for their use. They have installed a brick patio and pathway in the garden where Marie designed her many appliqué quilts. The brick pathway honoring loved ones, quilters and friends makes wandering through the garden a unique, memorable experience. The cost of adopting a brick is \$100. Each brick is 4 x 8 and features your own message. Proceeds from the adoption of bricks will be used to maintain the house and garden. You are invited to support The Quilters Hall of Fame today by dedicating a brick in honor of a special person or guild in your life. Please print out a separate form for each brick and mail with a check to the address below. If you would prefer to use a credit card, please call us at 765-664-9333.

What would you like your brick to say? Maximum 3 lines, 15 characters per line, including punctuation and spaces.
